## **Body By Jake Gravity Force Trainer Manual**

Please note that this guide is not a tutorial. The dump truck is up. Its bottom is cut. Fragments are scattered on the surface of the soil. Everything is black, and the air has become grey. I feel like I'm falling, falling through the sky. I can only see a few meters and that's all I can see. I only hear the roar. "If we land on our feet, we might still be alive," I say to myself. And I feel my fear rush through me like an electric current. My car should land on its feet. This is the only chance for us.
